
BT Panorama Investments

Investor Guide

Dated 10 January 2025

This document, referred to as the 'Investor Guide', is the IDPS Guide for Panorama Investments, which is an Investor Directed Portfolio Service (IDPS).

Updates to this Investor Guide

Information in this Investor Guide is subject to change. The latest version of this Investor Guide is available at bt.com.au/panorama or the BT Panorama mobile app.

Information that is not materially adverse may be communicated via a notice to you or your adviser or by updating information available through the online service at bt.com.au/panorama. You can obtain the updated information at any time, free of charge, by visiting bt.com.au/panorama or contacting your adviser.

About the Administrator

BT Portfolio Services Ltd ABN 73 095 055 208 AFSL 233715 operates and administers BT Panorama Investments (Panorama Investments). Panorama Investments provides a choice between the Compact menu and Full menu, which offer different investment options and different administration fees. In this Investor Guide, a reference to Panorama Investments refers to both the Full menu and Compact menu, however you may only choose one menu option within a single Panorama Investments account. In this Investor Guide, BT Portfolio Services Ltd is referred to as 'the Administrator', 'us', 'we' or 'our'. We issue this Investor Guide in Australia. We are also the custodian for Panorama Investments and hold the interests in the assets in your Panorama Investments account (your Panorama Investments account) on trust for you.

By registering with Panorama and selecting the sponsored holding option, we will provide you with Clearing House Electronic Sub-Register System (CHESS) sponsorship. Further, you agree to be sponsored for ASX Settlement purposes by the Administrator. The terms of the Sponsorship Agreement are included in the Additional Information and Terms Booklet.

We may delegate our custody responsibilities to other custodians where we consider it appropriate to do so. Where a sub-custodian is appointed to provide custody services in relation to certain assets (sub-custodian), they will hold those assets on trust for us (that is, the sub-custodian will hold the legal title to the assets, with you retaining beneficial ownership of these assets).

The role of BTPS as custodian, and the role of the sub-custodian, is limited to holding and maintaining assets which we place with it and dealing with those assets in accordance with directions received from

us. The directions we give to the sub-custodian will in turn be based on instructions that we receive from you. Other services undertaken by sub-custodians generally include collecting income in connection with assets held in custody and arranging settlement of purchases and sales.

The Administrator and the sub-custodian may use pooling arrangements, under which some assets (other than listed securities held as sponsored holdings) are held in omnibus accounts. The use of omnibus accounts to hold financial assets is common industry practice. Assets held through an omnibus account are held in the name of the custodian or its nominee, rather than in individual accounts for each underlying investor. Records are maintained by us to allow clear identification of the quantity of assets held for an investor through the omnibus account. By approving and submitting your online application, you will be consenting to the use of omnibus accounts by us, and any sub-custodian engaged by us.

As at the date of this Investor Guide, we have appointed The Hong Kong and Shanghai Banking Corporation Limited, Sydney Branch ABN 65 117 925 970 AFSL 301737 (HSBC) (Level 36, Tower 1, International Towers Sydney, 100 Barangaroo Ave, Sydney, NSW, 2000) as the sub-custodian to provide custody services to us in relation to listed securities. Any liability or responsibility which HSBC has under the sub-custody arrangements are to us only. HSBC does not provide a supervisory role in relation to the operation and/or management of Panorama Investments nor has it been involved in the preparation, nor has it authorised or caused the issue, of this Investor Guide.

In our personal capacity, we may also provide you with other services and services to issuers of products available through Panorama Investments, and we may receive remuneration for these services.

Role of Westpac

The Administrator is a subsidiary of Westpac Banking Corporation ABN 33 007 457 141 AFSL 233714 (Westpac). Westpac also issues the BT Cash Management Account (BT CMA) and provides you with the payment services relating to your transaction account, as set out in the BT Cash Management Account and BT Cash Management Account Saver and related Payment Services Terms and Conditions. Apart from your interest in the BT CMA and any interest you may have in Westpac term deposit products or Westpac securities acquired through Panorama Investments, an investment in, or acquired through, Panorama Investments is not an investment in, deposit with or any other liability of Westpac or any other company in the Westpac Group. As with all investments, investments in Panorama Investments are subject to

investment risk, including possible delays in repayment of withdrawal proceeds and loss of income and principal invested. Neither Westpac, nor any other company in the Westpac Group stands behind or otherwise guarantees the capital value or investment performance of your investment in Panorama Investments.

Eligibility

Panorama Investments is only available to investors who receive this Investor Guide in Australia, whether in hard copy or electronically. If you are outside Australia, you should obtain advice about any local restrictions that apply before investing in or transacting through Panorama Investments and you must appoint an Australian resident attorney to act on your behalf. You must be an Australian resident with both residential and postal addresses in Australia to hold listed securities in your Panorama Investments account under the custodial and sponsored holding options. If you become a non-resident the Administrator will transfer any assets held under these options to the nominee holding option.

You must have a relationship with a distributor or an authorised adviser in order to start using Panorama Investments. If the relationship ends, the terms and conditions applicable to your Panorama Investments account may change, including that you may (but not necessarily will) be charged higher fees and the investment options available to you may change. Your Panorama Investments account may, in some circumstances, be closed. Refer to 'What happens if you no longer have an adviser?' in the 'Communications' section of this Investor Guide for more information.

General advice warning

The information in this Investor Guide is general information only and doesn't take into account your individual objectives, financial situation or needs. Consequently, before acting on the information, you should consider whether it is appropriate for you in light of your objectives, financial situation and needs.

You should consult a licensed financial adviser for financial advice that's tailored to suit your personal circumstances. Before making any investment decision, you should obtain and consider the relevant product disclosure statement or other disclosure document for the products you choose to access through Panorama Investments.

This Investor Guide aims to help you to make an investment decision by giving you an overview of how Panorama Investments works.

Overview

Start your wealth journey with BT Panorama Investments

Important documents

Before applying for an account, it's important you read this Investor Guide along with the following documents:

Additional Information and Terms Booklet

Please read this for more detailed information on how to use Panorama Investments and the important Terms and Conditions that form part of your contract with us.

BT Cash Management Account and BT Cash Management Account Saver and related Payment Services Terms and Conditions

When you open an account in Panorama Investments, you direct us to open a BT Cash Management Account (BT CMA) and hold it on your behalf. Your BT CMA is referred to in this Investor Guide as 'your transaction account', and facilitates many of the transactions that you (or your adviser acting on your behalf) can perform on your Panorama Investments account. The BT Cash Management Account and BT Cash Management Account Saver and related Payment Services Terms and Conditions contains important information about BT CMA which you should consider before investing in Panorama Investments.

Your transaction account is transactional in nature and is not intended to be used as an investment option.

These documents are available free of charge from your adviser, by contacting us, or from bt.com.au/panorama.

Disclosure about the investment and insurance options available to you

You have the right to receive, free of charge, disclosure about the investments available to you before you choose to invest or apply for insurance cover.

If you choose margin lending through Panorama Investments, you should also read the applicable margin lending product disclosure statement or other disclosure document for important information about the benefits and risks of margin lending.

These documents are available free of charge from your adviser or by contacting us.

You may be able to access a comprehensive range of insurance options to provide for your specific needs. If you choose to apply for insurance cover through Panorama Investments, you should also read the applicable product disclosure statement and policy document for important information about the insurance product. You can contact your adviser or the relevant insurance provider for copies of these documents.

Overview

A service that's easy to use

A flexible, easy access account. Panorama Investments empowers you to access, organise and manage your investments.

- ¹ The full range of investment options may not be available to every investor. If you select the Compact menu, listed securities are not available, and a smaller range of term deposits, managed portfolios and managed funds may be available. You can obtain a list of the investments available to you from your adviser or by contacting us.
- ² Insurance through Panorama Investments may not be available to every investor. You can find out if insurance cover is available from your adviser.
- ³ It is important to recognise that margin lending can also potentially increase your losses. Margin lending is not available to every investor. Refer to 'Margin lending' in the 'Features at a glance' section for more information.

1300 881 716

bt.com.au/panorama**You**

- You or your adviser can be set up as the primary authorised user of your Panorama Investments account.
- You select the investments to include in your Panorama Investments account from the list of available investments.
- You can monitor your Panorama Investments account online and issue instructions (through your adviser or directly to us) to make changes.

**The Administrator**

- The Administrator operates and administers Panorama Investments.
- The Administrator is the custodian of Panorama Investments and holds your transaction account and any interests in term deposits, managed funds, managed portfolios and (if you have chosen the nominee holding option), listed securities on your behalf. The Administrator has appointed a sub-custodian to hold any listed securities in your Panorama Investments account where they are held using the nominee holding option.

**Your Adviser**

- If you are investing in Panorama Investments through a financial adviser (referred to in this Investor Guide as 'your adviser') they can:
 - advise you on whether the Compact or Full menu is right for you and which investments to include in your Panorama Investments account
 - help you develop a personalised investment strategy and may advise you on how to manage your Panorama Investments account to implement that strategy
 - direct the Administrator to perform transactions on your Panorama Investments account (based on your instructions)
 - monitor the performance of your investments and provide you with regular status reports.

**Your Accountant**

- You, or your adviser on your behalf, can grant your accountant online access to:
 - view your Panorama Investments account, including reports, statements and other information
 - view and upload documents into your document library
 - categorise contributions and payments
 - in some cases share information about your SMSF assets, that are not held on the Panorama operating system, with the Administrator so you can view all of your assets in one place.
- Your accountant, however, can't perform transactions on your Panorama Investments account.

Benefits and features

Why should you use BT Panorama Investments?

Key benefits and features

Panorama Investments offers a range of benefits and features.

 Access Access to investment options and insurance	– Panorama Investments gives you a single point of access to a range of investments. – You have the choice between a Compact menu or Full menu, which offer different investment options and have different administration fees and costs. – You may have access to a range of insurance options through Panorama Investments. – You may be able to access margin lending to borrow to invest in your Panorama Investments account.
 Simplicity Making it easier for you	– Online account opening ensures your account is up and running quickly. – We take care of the day-to-day administration of your Panorama Investments account. – Consolidated reporting helps makes tax time easier. – Automated drawdown and automatic reinvesting strategies help manage your cash balance.
 Manage Manage your investments	– Manage your Panorama Investments account in one convenient location online at bt.com.au/panorama. – Use managed portfolios to help invest according to an investment strategy that you select. – Set up automated regular investments from your transaction account into your existing managed funds, managed portfolio and tailored portfolio¹ assets. – Transfer assets into your Panorama Investments account.
 Vision Know where you're invested	– View your investments and access consolidated reporting online. – Have full transparency of the value and quantity of your investments held as part of managed portfolios or your tailored portfolio. – Register and view assets which are held externally to your Panorama Investments account. – Obtain up-to-date valuations, income and the estimated tax position of your Panorama Investments account.
 Collaboration Making the most of your SMSF	– If your accountant has been granted access, you, your adviser and your accountant can collaborate via your Panorama Investments account at bt.com.au/panorama. – If you're invested in Panorama Investments as trustee of an SMSF, you, your adviser or your accountant can work together to help manage your SMSF's compliance obligations. – Store copies of documents in a secure online document library for easy access by you, your adviser or your accountant.

¹ Refer to 'Tailored portfolios' in the 'Other features' section of this Investor Guide for more information.

Benefits and features

Features at a glance

Making it easy to monitor and manage your investments.

Options to suit you

With Panorama Investments you can choose either the Compact menu for access to a select range of investments, or the Full menu for access to a more extensive choice of investments. The two menu options have different administration fees. Both menu options provide transactions and reporting through a single platform all in one place at bt.com.au/panorama.

You must select either the Compact menu or Full menu when applying to open a Panorama Investments account.

Easy online access

Open your Panorama Investments account with as little as \$2,000. You will automatically receive online access when you complete your account registration. Follow the instructions contained in your welcome email to easily register online using the secure website.

Convenient online cash transactions

You can make deposits and payments online by BPAY®, direct debit or direct credit. You have the flexibility to place these transactions for the current day, or schedule them for a future date. These transactions can also be one-off or recurring.

Your transaction account can be linked to up to 5 external accounts for easy transfer of funds into and out of your Panorama Investments account.

Manage your account the way you want to

You can choose whether you or your adviser are the primary authorised user of your Panorama Investments account to perform investment transactions.

- You can nominate who can make cash transactions on your Panorama Investments account.
- You must authorise the external accounts and billers linked to your Panorama Investments account.

Where there are multiple account holders linked to your Panorama Investments account, any one of them can carry out cash transactions.

For further information, refer to 'Customise your Panorama Investments account functionality' in the 'Features' section of the Additional Information and Terms Booklet.

Easy access to information about your account

View the latest information about your Panorama Investments account online, anytime.

You have access to a range of account information and reports online, including:

- account balances, movements and transactions
- portfolio valuation and asset allocation
- performance on your Panorama Investments account, including by investment type

Benefits and features

Features at a glance

- details of any insurance policies and margin loans linked to your Panorama Investments account
- income and estimated realised and unrealised capital gains.

You can also upload information about assets that are external to Panorama Investments so that you can view those assets alongside your Panorama Investments account.

Document library

You, your adviser and your accountant, as applicable, have access to a secure online document library which allows you to collaborate efficiently and provides easy access to important documentation.

Any document can be categorised and saved into your document library by you, your adviser or your accountant, as applicable. Intuitive filters and search functionality make it easy for you to locate documents.

Through your document library, you'll be able to access important documentation such as your annual tax and investment statements, and other correspondence from us.

All documents stored in the document library are retained for a minimum of five years, depending on the document type, and deleted once they have reached the end of their retention period. Contact us for more information about the retention periods applicable to documents stored in the document library.

Please note, retention periods may change in the future.

Make regular investments

You can set up automated regular investments into your existing managed funds, managed portfolios or tailored portfolio assets from your transaction account. This is an efficient way to spread your purchase over a number of periods and may help you reduce the impact of market volatility on the investments you hold in your Panorama Investments account.

You can do this by setting up:

1. automatic reinvesting and/or
2. a regular investment plan

You can establish and operate automatic reinvesting to invest excess cash above a predetermined amount set by you.

You can also establish and operate a regular investment plan to invest a fixed dollar amount set by you.

If you are investing in Panorama Investments through a financial adviser, they will establish and operate these automated regular investments for you, based on your instructions.

Each time you place an investment in a managed fund or managed portfolio under a regular investment plan or automatic reinvesting, you may not have the current disclosure document for that fund. You can access the current disclosure document by logging into your account at bt.com.au/panorama, by requesting a copy from your adviser or by contacting us.

For further information on making regular investments into your account, refer to 'Automated regular investments' in the 'Additional information on investments' section of the Additional Information and Terms Booklet.

Benefits and features

Features at a glance

Managed discretionary accounts (MDAs)

We may permit an MDA provider to provide MDA services in connection with your Panorama Investments account. The MDA provider you appoint (under a separate agreement to which we are not a party) will be solely responsible for the MDA service. We will act on the instructions of your MDA provider whom you appoint and request to make investment decisions on your behalf.

Tailored portfolios

Tailored portfolio tools can assist your MDA provider when providing instructions on your behalf, to construct, manage and rebalance your investments in accordance with a predetermined investment strategy you have chosen. Your adviser will work with you to determine an investment strategy for you, based on your desired objectives.

Assets in your Panorama Investments account that are managed on your behalf using the tailored portfolio tools are referred to in this Investor Guide as 'your tailored portfolio'. You may be able to request to exclude certain assets from your tailored portfolio to align with ethical considerations or other investment requirements you may have. You can elect to reallocate the value of the excluded assets to cash, pro rata against all other assets within your tailored portfolio, or substitute with another asset.

Check with your adviser if you would like to know whether they have access to the tailored portfolio tools. Tailored portfolios are not available to all investors and are not available if you select the Compact menu.

If there is a cash allocation included in the investment strategy, the interest rate declared in respect of that cash allocation may be lower than the rate declared in respect of your transaction account.

Adviser portfolios

Your adviser may have access to adviser portfolio tools, which can be used to provide us with instructions to manage assets in your Panorama Investments account according to specified allocations and weightings. These instructions are provided to us by your adviser.

Instructions to rebalance assets held in your account will result in assets in your account being acquired or sold according to the pre-set investment allocations. These pre-set investment allocations are referred to as your 'adviser portfolio'. An adviser portfolio is not a separate investment – it is a portfolio of assets held in your Panorama Investments account.

Refer to 'Adviser portfolios' in the Additional Information and Terms Booklet for more information. Check with your adviser if you would like to know whether they have access to adviser portfolio tools in relation to your account. Adviser portfolios are not available to all investors.

Insurance

A comprehensive range of insurance options may be available to you through Panorama Investments. These can help to protect you and your family from the financial consequences of illness, injury, medical trauma and death. These insurance options may include terminal illness and death cover, total and permanent disability cover and income protection cover, plus additional options to provide for your specific needs.

Refer to the product disclosure statement or other disclosure document of the relevant insurance product, available from your adviser or the relevant insurance provider.

Features at a glance

Margin lending

Gearing, via a margin loan, can be a growth strategy that allows you to unlock the value of your Panorama Investments account. By using the value of your Panorama Investments account's assets to borrow money from a margin lender, you will have more money to invest in managed funds, managed portfolios and listed securities, which can potentially increase your returns and diversification.

While margin lending increases the potential return on investments, it is important to recognise that margin lending can also increase your potential losses. Ask your adviser, or contact us, to find out about how margin lending works and read the relevant product disclosure statement to determine whether it is suitable for you.

Margin lending is not available to all investors or SMSF accounts.

Self managed super funds

If you are investing in Panorama Investments as trustee of a self managed super fund (SMSF), there are a number of features that have been specifically designed to help you better manage your SMSF. Panorama Investments can provide access to the following features:

- **Accountant access** – your accountant can be given dedicated accountant access to your SMSF account. This will allow them to securely view online documents and provide them with a consolidated view of your SMSF account, external assets and additional SMSF information (see below), making collaboration easy.
- **Online document library** – a secure place to store and access copies of your SMSF documents. You can also grant your accountant access to upload and view your SMSF documents.
- **Audit flag** – flag documents in your document library to assist with your end of year compliance obligations.
- **External assets and additional SMSF information** – an accounting software connection may be established that automatically feeds external asset and certain additional SMSF information recorded in that software through to your SMSF's Panorama Investments account. The connection allows you to view your SMSF assets that are held externally to your Panorama Investments account. Additional SMSF information will also be available for you to view such as member balances, contribution caps and pension limits so that you, your adviser or your accountant can view the information alongside your Panorama Investments account. Note SMSF liabilities or other accounts on the Panorama operating system are not included in the accounting software connection information (even if they are stored in the accounting software) and are therefore not displayed alongside your Panorama Investments account as external assets when logged in to your account at bt.com.au/panorama.

For more information, refer to the 'Features available to SMSF investors' section in the Additional Information and Terms Booklet.

Your transaction account

Deposits you make into your Panorama Investments account will be deposited into your transaction account. When you request payments from your Panorama Investments account, these will be withdrawn from your transaction account. Your transaction account may also be used to settle your investment transactions¹.

Your transaction account is transactional in nature and is not intended to be used as an investment option.

- 1 Transactions using the tailored portfolio tools will be settled using the portion of your transaction account allocated to your tailored portfolio
- 2 Income from managed portfolios will be paid into the cash allocation of your respective managed portfolio. Income from assets in your tailored portfolio will be paid into the portion of your transaction account allocated to the tailored portfolio.
- 3 Insurance through Panorama Investments may not be available to every investor. You can find out if insurance cover is available to you from your adviser.
- 4 Certain payment types are not available to you if you have a margin loan linked to your Panorama Investments account. Refer to 'Linked accounts' in this section for more information.

Your transaction account

Managing your transaction account balance

The Administrator requires you to keep a minimum balance of \$2,000 in your transaction account (excluding any portion allocated to a tailored portfolio). This is to ensure you have sufficient money available to cover fees and costs and any other payments. Generally, one-off investment transactions and withdrawals will not be processed if there are not sufficient funds in your transaction account.

Linked accounts

Your transaction account can be linked to up to 5 external accounts for easy transfer of funds into and out of Panorama Investments. When you add a linked bank, building society or credit union account to your Panorama Investments account, you may be required to verify the account prior to making direct debits.

If you have a margin loan linked to your Panorama Investments account, one of the linked accounts will be set up for the margin loan. As the Administrator of Panorama Investments, we will facilitate approvals from the margin lender for withdrawals to linked accounts you request. In addition we have removed your ability to make repeat payments, or schedule payments for a future date to other linked accounts that are not the margin loan. This is a requirement of the margin lender.

Similarly, BPAY, Pay Anyone and direct debits out of your transaction account are not available where your Panorama Investments account is linked to a margin loan (except for direct debits to the linked account that is the margin loan, which are permitted).

Benefits and features

Your transaction account

Deposits

You can make deposits into your Panorama Investments account in the following ways:

BPAY	Direct debit	Direct credit
BPAY into your transaction account using our BPAY Biller Code and your individual Customer Reference Number (CRN). – Biller Code: 220186 – CRN: Your account number. Provided to you online once your Panorama Investments account is activated.	You can set up a direct debit online from a linked account to deposit funds into your transaction account. You may be required to verify any bank, building society or credit union accounts linked to your Panorama Investments account when setting up a direct debit. Your Direct Debit Request Service Agreement is set out in the BT Cash Management Account and BT Cash Management Account Saver and related Payment Services Terms and Conditions.	Make deposits from your external bank, building society or credit union account using: – BSB: 262-786 – Your account number. Provided to you online once your Panorama Investments account is activated.

There may be a clearance period on some deposits (for example direct debit deposits) before the money is available for you to access. Any regular investment plan transactions will occur after your funds have been cleared.

Please note cheques cannot be accepted in to your Panorama Investments account.

Your transaction account

Payments

Your transaction account can be used in the following ways to make payments:

- You can make BPAY and direct credit payments online.
- You can use the BSB number we give you and your Panorama Investments account number to arrange direct debits from your transaction account to pay third parties such as utilities and other service providers.

If you have a margin loan linked to your Panorama Investments account, BPAY withdrawals, scheduled or recurring payments, or direct debits from your transaction account will not be available (except for direct debits to the linked account that is the margin loan, which are permitted). You will still be able to make direct credit payments online, however any payments will be subject to approval by the margin lender.

Your Panorama Investments account has daily payment limits which you may be able to adjust by logging in to your account at bt.com.au/panorama if you need to make a larger payment. Any changes to your daily Pay Anyone or BPAY limit may apply to all such transactions initiated by you or your adviser (if adviser permission has been granted).

Regular deposits and payment plans

Your deposit and payment requests placed online can be processed as a one-off transaction, a one-off transaction scheduled for a future date or as a recurring transaction (or payment/deposit plan).

Note that where you have a margin loan linked to your Panorama Investments account, scheduled and recurring payments are not available to linked accounts that are not the margin loan linked account.

Drawdown strategies

To help you meet your payments and maintain the minimum required balance, your investments will be sold down in accordance with one of three drawdown strategies.

For further information, refer to 'Drawdown strategies' in the 'Additional information on investments' section and the 'Terms and Conditions' section of the Additional Information and Terms Booklet.

More information

For further information, refer to 'Your transaction account' in the 'Features' section of the Additional Information and Terms Booklet.

Investment options

Investment options

Panorama Investments makes a range of investment options available to you so you can select the investments that best suit your needs.

Available investment options

The investment options available to you will vary. You can obtain a list of the available investment options and copies of their disclosure documents and/or terms and conditions, free of charge, from your adviser or by contacting us.

Compact menu and Full menu

When you open your Panorama Investments account you must choose either the Compact menu or the Full menu, which offer different investment options and have different administration fees and costs. You can choose to access an extensive range of investments through the Full menu, or a select range through the Compact menu. You may only choose one of these menu options within a single Panorama Investments account.

If you select the Compact menu and later wish to change to the Full menu (or vice versa), contact your adviser or contact the Panorama Support Team for more information on how to do this.

The Compact menu may not be available to every investor. Speak to your adviser or contact us to find out if the Compact menu is available to you.

Term deposits

A term deposit is an investment where the interest rate does not generally change for the nominated term. You can choose from a range of term deposits offering a variety of terms and interest payment frequencies. Term deposits can be applied for and managed online, with a fast online application process.

For further information, refer to 'Term deposits' in the 'Additional information on investments' section of the Additional Information and Terms Booklet.

Investment options

Managed funds

Managed funds are an easy and convenient way to invest. You can access a broad range of funds encompassing many of Australia's leading fund managers. You can choose from a range of investment styles and asset classes through diversified, sector and specialist funds with ease.

If you choose the Compact menu, you can access a select range of managed funds. If you choose the Full menu, you can access a broader range of managed funds that includes those available on the Compact menu. Certain managed funds may not be available to every investor. From time to time we may add to or remove investment options from the Full and Compact menus.

Distributions

Any distributions you receive in respect of a managed fund will be paid into your transaction account when we receive them from the relevant investment manager. You can nominate for those distributions to:

- remain in your transaction account, or
- be reinvested, in which case we will use the distributions to purchase new units in the fund on your behalf.

If you nominate a reinvestment option that is made available to you by the Administrator and we don't hold your Tax File Number (TFN) or you are a non-resident for tax purposes, your distributions will be paid into your transaction account and you will not be able to reinvest your distributions under a reinvestment facility.

If you don't nominate a distribution option, your distributions will remain in your transaction account.

Please note:

- You may not have the current disclosure document for a managed fund at the time you acquire a further interest through reinvestment of distributions.
- The current disclosure documents for all managed funds will be available at any time online or you can request a copy from the fund manager, your adviser or by contacting us.
- We may apply cut-off times in relation to distribution nominations. This means in some circumstances, you may receive a partial cash distribution regardless of your nominations. However, your next distribution will be processed according to your nominated preference in full.
- The ability to reinvest distributions may not be available in respect of all managed funds you hold.

For more information, refer to 'Distribution reinvestments' in the 'Additional information on investments' section of the Additional Information and Terms Booklet.

Investment options

Investment options

Listed securities

If you select the Full menu, you will have access to a range of Australian listed securities being:

- shares
- hybrid securities
- interest in listed property/investment trusts
- interest in exchange traded products (ETPs), which include exchange-traded funds (ETFs), exchange-traded managed funds, and structured products
- Australian Government Bonds.

We may add or remove any Australian listed security at our discretion.

Most investors in Panorama Investments can choose for their listed securities to be held one of three ways:¹

Nominee holdings option

Nominee holdings is the default option for Panorama Investments, where your listed securities are held by the sub-custodian nominated by the Administrator, with you retaining beneficial ownership of these investments.

Custodial holdings option

The custodial holdings option involves the Administrator holding legal title to your listed securities with you being the beneficial owner of these investments. An additional 'custodial options holding fee' will apply to this option. Refer to the 'Fees and other costs' section in this Investor Guide for further information.

Sponsored holdings option

The sponsored holdings option allows you to hold the listed securities in your account directly in your own name. To do this, you must be an Australian resident and you must appoint the Administrator to sponsor you on CHESS. See the 'Sponsorship Agreement' in the Additional Information and Terms Booklet for more information.

Dividends and distributions

Depending on how you elect your listed securities to be held, you may be able to elect how dividends or distributions are paid in respect of your listed securities. For more information see 'Selecting a holding option' in the Additional Information and Terms Booklet'.

Where you hold listed securities under the nominee holding option:

- If you nominate a reinvestment option that is made available to you by the Administrator and we don't hold your TFN or you are a non-resident for tax purposes, your distributions or dividends will be paid into your transaction account and you will not be able to reinvest your distributions or dividends under a reinvestment facility.
- If a reinvestment option is selected, the amount of securities allocated to your Panorama Investments account will be rounded down to the nearest whole number. If this occurs, an amount equal in value to the portion of the security rounded down will be paid into your transaction account based on the issue price of the security under the relevant dividend reinvestment plan. This can give rise to the Administrator holding excess securities following its participation in the dividend reinvestment plan. Any such excess securities will be sold in the market and the Administrator will bear the risk of, or retain any benefit from, any market movements.

Where a disclosure document is required to be given in relation to a particular listed security, you may not have the current disclosure document at the time you acquire a further interest through reinvestment of dividends or

¹ Listed securities are not available to you if you select the Compact menu. Not all holding options will be available to all investors. Refer to 'Selecting a holding option' in the Additional Information and Terms Booklet for more information on the options that may be available to you.

distributions. In this case, the current disclosure document will be available online or you can request a copy from the issuer, your adviser or by contacting us.

If you don't nominate a reinvestment option, your dividends or distributions will remain in your transaction account. The ability to reinvest dividends or distributions may not be available in respect of all listed securities you hold.

Selecting a broker

If you choose the Full menu, you have the flexibility to transact:

- through the broker we appoint (online broker) or
- through an approved external broker.

For more information, refer to 'Selecting a broker' in the Additional Information and Terms Booklet.

Managed portfolios

Managed portfolios are investment options made available through managed investment schemes accessible through Panorama Investments. You can choose from a range of managed portfolio options managed by professional investment managers. The full range of managed portfolios may not be available to every investor.

Managed portfolio options are designed to remove the need for you to individually research assets or fund managers, monitor your holdings and manually trade your assets.

Once you select a particular managed portfolio option, your investment in that managed portfolio option (referred to in this Investor Guide as 'your managed portfolio') will be managed and rebalanced in accordance with that option's investment strategy and objectives.

The managed portfolio options vary in their investment objective, strategy, style and risk/return profile, and may include listed securities, managed funds and cash investments.

By investing in managed portfolios through Panorama Investments, you will be able to:

- see the quantity and value of all the assets in your managed portfolio options by logging in to your account at bt.com.au/panorama
- earn income on those assets (which will be paid into the cash allocation of your managed portfolio) and you may benefit from franking credits on dividends, and
- have the convenience of accessing consolidated reporting in relation to the assets held in your managed portfolio by logging in to your account at bt.com.au/panorama, removing the hassle and paperwork associated with holding the assets individually.

The assets in each managed portfolio option are aligned, by the responsible entity of the relevant scheme, to reflect the asset targets of the managed portfolio option you have selected. Income from the assets in your managed portfolio will be paid into the cash allocation of your managed portfolio and may be reinvested in accordance with the investment strategy of your selected managed portfolio option as part of the rebalance process.

For further information, refer to the 'Additional information on investments' section of the Additional Information and Terms Booklet and the relevant managed portfolio PDS.

Investment options

Investment selection

The Investment Governance Policy applies to all investments offered through Panorama Investments and does not constrain investments to only those issued by or associated with Westpac or its subsidiaries. However, some or all accessible investments specified in the list of accessible investments may be managed by a related entity of the Administrator. That related entity may be entitled to earn fees and other benefits in relation to those investments, and to retain those fees and benefits for their own account.

The Administrator decides whether to add, remove or restrict investments that are available through Panorama Investments, and takes into account considerations such as whether the investment is manageable through its existing technology and administrative processes. The Administrator reviews and monitors the available investments periodically to make sure they continue to comply with our investment governance policy.

Only 'Investment Grade' term deposits issued by an authorised deposit-taking institution (with a banking licence) may be approved for addition to Panorama Investments. At the date of this Investor Guide an Investment Grade rating is considered to be equivalent to an S&P rating of BBB- or above, a Moody's rating of Baa3 or above and a Fitch rating of BBB- or above.

BT CMA is a bank account that was selected as the hub of your Panorama Investments account as it is integrated with our technology platform and facilitates transactions, including deposits and withdrawals on your Panorama Investments account.

In selecting the managed funds and managed portfolios available to retail clients through Panorama Investments, we will generally assess whether there is sufficient demand and take into account things such as research house ratings, liquidity and cash flow management, gearing, diversification, costs and tax, asset allocation, track record, governance structure, underlying funds under administration and the ability of the fund to meet administration and service level requirements. We may change the investments available to you. To view the investments available to you, speak to your adviser or contact us.

Generally, Australian listed securities will automatically be made available for investment via Panorama Investments. If a security is delisted, or has provided notice that it intends to delist, from the relevant exchange, it will automatically be made unavailable via Panorama Investments. Certain Australian listed securities, for example warrants, are currently not available for investment through Panorama Investments.

Members of the Westpac Group, including the Administrator, participate as financial institutions or product issuers in both domestic and international markets. As a result, perceived and actual conflicts of interest may arise when we consider and assess the investments made available through Panorama Investments. To manage any perceived or actual conflicts of interest, all investments available through Panorama Investments are subject to the same investment selection criteria applying to investments in the same class regardless of whether they are issued by a member of the Westpac Group or an unrelated party. Furthermore, the Administrator has policies in place that govern how it manages conflicts and these policies apply to the investment selection process.

For further information on the investments and transactions you can make through Panorama Investments, refer to the 'Additional information on investments' section of the Additional Information and Terms Booklet.

Investing through Panorama Investments

A key benefit of Panorama Investments is that we provide you with consolidated access and reporting on your investments online.

How investing through Panorama Investments is different from investing directly

Investing through Panorama Investments	Investing directly
1. Access to your investments Access to term deposits A range of term deposits are available online with a range of rates and terms for you. Access to managed portfolios A range of managed portfolio options may be available for you to select one or more appropriate for your objectives. Access to managed funds Panorama Investments gives you access to a range of managed funds, with no minimum investment amount. Access to listed securities If you select the Full menu, a broad range of Australian listed securities are available for you to select those securities most appropriate for your objectives.	1. Access to your investments Access to term deposits The term deposits offered through Panorama Investments are not available for you to invest in directly. Retail term deposits you access directly will have different terms and conditions and may offer different features. Retail term deposits may require you to complete different applications for each term deposit. Access to managed portfolios Some managed portfolio options may not be available for you to invest in directly. Access to managed funds Some managed funds are not available to invest in directly or may have large minimum application amounts. Access to listed securities All Australian listed securities are available to you.
2. Ownership of your investments The Administrator (or, where listed securities are held under the nominee option, the sub-custodian) is the legal owner of your investments which are held on trust so your Panorama Investments account can be administered for you. However, you retain the beneficial ownership of your investments.	2. Ownership of your investments¹ When investing directly, you are the legal and beneficial owner of your investments, and acquire all rights attaching to ownership.

Investing through Panorama Investments

3. Reporting is consolidated

You receive comprehensive consolidated reporting on all the investments you hold in your Panorama Investments account from us. We will provide you with annual reporting within three months of the end of each financial year end. You can also access up-to-date investment information online, and receive separate reporting on assets that are external to your Panorama Investments account that you have registered with Panorama Investments.

You will receive information regarding your annual tax position for your Panorama Investments account once we have the necessary information from third parties after the end of the financial year.

You will receive an email when these are available online.

4. Online consolidated communications

Your investment communications will be consolidated and available to you to access in one place online by logging in to your account at bt.com.au/panorama.

Except where you hold listed securities under the sponsored holdings option, we (or a sub-custodian appointed by us) hold your investments, so you don't receive communications directly from each product provider. However, you can obtain this information by providing the Administrator with instructions specifying the information you require.

5. Cooling-off rights don't apply

We invest in managed portfolios and managed funds on your behalf, so cooling-off rights don't apply.

Investing directly

3. Reporting is not consolidated

You receive reporting on each of your investments from each product issuer. You may not receive consolidated reporting that gives you a complete picture of your investments in one place.

4. Communications from product issuers

When investing directly, because you are the legal and beneficial owner of your investments, you receive your investment communications directly from each individual product provider.

5. Cooling-off rights

You may be entitled to a 14 day cooling-off period on some financial products if you are a retail client. If you exercise your right within the cooling-off period, you can have your application money returned (subject to fees and market movements).

Investing through Panorama Investments

6. Certain withdrawal rights may not apply

The right to withdraw from your investment in managed portfolios, your managed fund holdings or listed securities if the relevant product disclosure statement or other disclosure document is or becomes defective may not apply. This means the issuer of the investment may not be required to return your investment or provide you with other options, such as notification of an option to withdraw.

Where practicable, we'll notify you or your adviser of any option to withdraw and make available any accompanying disclosure documents as soon as possible, and no later than five days of receiving notification. If we do so and you wish to exercise any withdrawal option, we'll generally act on any instructions received.

7. Limited voting rights

Where we are the legal owner of your investments, only we can exercise any rights to vote or participate in any investor schemes or proposals that may be available in respect of your investments. However, we won't do this unless we ask for and receive instructions from you or your adviser. If we ask for and receive such instructions, we'll generally act as you instruct us.

For more information about our voting practices, contact us on 1300 881 716 for a copy of our voting policy free of charge.

For information on managing other corporate actions in respect of listed securities, refer to 'Online corporate actions' in the 'Listed securities' section of the Additional Information and Terms Booklet.

Investing directly

6. Certain withdrawal rights apply

When a product disclosure statement or disclosure document is found to be defective, withdrawal rights are usually available and may be exercised by you if you invest directly. You will be provided with any accompanying disclosures and notified directly of any option to withdraw by the product issuer.

7. Voting rights

When investing directly, because you are the legal and beneficial owner of your investments, you are free to exercise any voting rights yourself and to directly participate in any investor schemes or proposals affecting your investments.

You can also attend member meetings.

¹ Interests in BT Managed Portfolios are only available through an IDPS operated and administered by us. You can't hold these investments directly.

What are the next steps?	>

Risks

What are the risks?

Panorama Investments offers a range of investment options to meet different risk and return expectations that allow you to tailor your investment strategy to your investment objectives.

The types of risk you may need to consider include the following:

Market risk

Markets are subject to a host of factors, including economic conditions, government regulations, market sentiment, local and international political events, and environmental and technological issues. Market risk may have different impacts on each investment and investment style. It may mean that the value of your investment falls or that your investments cannot be readily sold.

Currency risk

If an investment is held in international assets, a rise in the Australian dollar relative to other currencies may negatively impact investment values or returns.

Interest rate risk

Changes in interest rates can have a negative impact, either directly or indirectly, on the investment value or returns of all types of assets.

Investment specific risk

An investment in a listed security, or a managed fund or managed portfolio option which has exposure to a listed entity, may be affected by unexpected changes in that listed entity's operations (due to quality of management, use of technology etc) or its business environment.

Similarly an investment in a managed fund or managed portfolio option may be affected by unexpected changes in the fund's operations or by changes in investment management (or other) personnel.

There are some specific risks relating to investing in term deposits.

- Term deposit interest rates are fixed for the term of the investment (until maturity), and as a result you are protected from any fall in interest rates for that term. However, you will also not benefit from interest rate rises that occur during the term.
- Early withdrawal of term deposits will generally result in a waiting period before the term deposit proceeds are paid to you.
- An interest rate adjustment may apply if you or we terminate the term deposit before maturity (including if you close your Panorama Investments account).

Risks

What are the risks?

Liquidity risk

The risk that you will not be able to withdraw an investment available through Panorama Investments within the timeframe you need. Refer to 'Suspended managed funds or managed portfolio options' in the 'Additional information on investments' section of the Booklet for more information on how liquidity risk may affect you.

Taxation and regulatory risk

The risk that changes to tax laws, industry regulation and other legislation could adversely affect your investment.

Investment decisions you make may have tax and social security consequences and may also be subject to government duty. Their impact will depend on your individual circumstances, and it is your responsibility to manage them.

You are generally liable to pay tax on income (including capital gains on disposal) from your investments (even if the income is reinvested).

You should seek tax advice before you transact in any investment using Panorama Investments.

Insurance risk

The risk that you may not have sufficient or appropriate insurance to provide adequate cover for you or your beneficiaries.

Operational risk

The risk that administration, computer and supporting systems may not always work as they should. The effective operation of Panorama Investments depends on the integrity of our systems. However, there is a risk that these systems may not be available or operate effectively in certain circumstances.

We have procedures in place designed to reduce the risk of systems not working effectively and to respond promptly should problems arise. However, you should be aware that not all of these risks can be foreseen.

Trading through Panorama Investments

You should be aware that, by trading through Panorama Investments, you may not receive certain information which you would have received if you had traded directly through a broker.

Gearing risk

If you borrow to invest through Panorama Investments, this will magnify the effect of gains and losses on your investment portfolio. You should discuss this risk with your adviser.

Other investment risks

Refer to the PDS for each managed portfolio or managed fund which will explain the risks and taxation treatment relevant to that investment. You can obtain further information from your adviser or by contacting us.

You can get more information on the risks of trading in listed securities from your adviser or by contacting us.

Fees and other costs ✓

[Fees and other costs for Panorama Investments](#)

Additional explanation of fees and costs

How do fees and costs for Panorama Investments and accessible investments work?

Communications >

What are the next steps? >

DID YOU KNOW?

Small differences in both investment performance and fees and costs can have a substantial impact on your long-term returns.

For example, total annual fees and costs of 2% of your account balance rather than 1% could reduce your final return by up to 20% over a 30-year period (for example, reduce it from \$100,000 to \$80,000).

You should consider whether features such as superior investment performance or the provision of better member services justify higher fees and costs.

You may be able to negotiate to pay lower fees. Ask the fund or your financial adviser.

TO FIND OUT MORE

If you would like to find out more, or see the impact of the fees based on your own circumstances, the **Australian Securities and Investments Commission (ASIC)** Moneysmart website (www.moneysmart.gov.au) has a managed funds fee calculator to help you check out different fee options.

This document shows fees and other costs that you may be charged. These fees and other costs may be deducted from your money, from the returns on your investments or from the assets in your Panorama Investments account.

Taxes are set out in the Additional Information and Terms Booklet.

You should read all the information about fees and other costs because it is important to understand their impact on your investment.

The fees and other costs for each managed fund investment available within your chosen menu option in Panorama Investments are set out in the relevant product disclosure document.

Except where otherwise stated, the fees and other costs in this Investor Guide are expressed as inclusive of the Goods and Services Tax and are net of any Reduced Input Tax Credits that may be claimed.

Fees and other costs for Panorama Investments

Fees and costs summary

Panorama Investments		
Type of fee or cost	Amount	How and when paid
Ongoing annual fees and costs		
Management fees and costs The fees for managing your investment	1. Administration fee - <i>account based</i>	Monthly in arrears.
	A fixed dollar fee per Panorama Investments account, regardless of your account balance or the investments you hold, as detailed in the table below.	The Administration fee - <i>account based</i> is calculated on a daily basis, and applies from the time of your first deposit into Panorama Investments.
	Selected menu¹	Fee rate
	Compact menu	\$180 pa
	Full menu	\$540 pa
	2. Administration fee - <i>asset based</i>	Monthly in arrears.
	A percentage fee on your total account balance ^{2,3} as detailed in the table below.	The Administration fee - <i>asset based</i> is calculated monthly, based on your total average daily balance, and applies from the time of your first deposit into your Panorama Investments account.
	Investment balance	Fee rate
	\$0 to \$1,000,000	0.15% pa
	Over \$1,000,000	Nil
		The fee is deducted from your transaction account monthly or upon closure of your Panorama Investments account and paid to us.
		From 1 April 2020 and until further notice, your transaction account balance will be temporarily excluded from the calculation of the Administration fee – <i>asset based</i> payable on Panorama Investments accounts. This means that the Administration fee – <i>asset based</i> ordinarily payable on transaction account balances will be temporarily waived until further notice.

Panorama Investments		
Type of fee or cost	Amount	How and when paid
	3. Expense recovery	
	Up to \$80 pa per Panorama Investments account. The exact amount deducted from your account will be confirmed in your annual statement.	Calculated based on the expenses incurred and deducted from your transaction account annually in arrears.
	The Administrator has discretion in deciding whether to pass on to investors all or a portion of the actual expenses properly incurred in each financial year by the Administrator.	Expense recovery is payable to the Administrator only and will not be passed on to your adviser or your adviser's dealer group.
	The Administrator intends to exercise its right to recover expenses in respect of costs that relate to your Panorama Investments account, which include government levies and complying with legislative requirements.	
	4. Custodial holdings option fee	
	\$300 pa	Monthly in arrears.
	Payable to the Administrator if you select the custodial holdings option for investing in listed securities. This fee does not apply if your listed securities are held under the nominee or sponsored holding options.	This fee applies where you hold listed securities in the custodial holdings option, and is calculated on a daily basis.
		The fee is deducted from your transaction account monthly or upon closure of your Panorama Investments account.

The management fees and costs shown in this section relate only to gaining access to the accessible investments available to you through Panorama Investments. These management fees and costs do not include the fees and costs that relate to investment in the accessible investments that you may choose through Panorama Investments.

Fees and other costs

Fees and other costs for Panorama Investments

Panorama Investments		
Type of fee or cost	Amount	How and when paid
Performance fees Amounts deducted from your investment in relation to the performance of Panorama Investments	Nil Panorama Investments does not charge performance fees, but performance fees may be payable in the managed funds you choose through Panorama Investments. Refer to 'Fees and costs of managed investments' in the 'Additional explanation of fees and costs' section of this Guide, and refer to the PDS or other disclosure document(s) for the relevant managed funds.	Not applicable
Transaction costs The costs incurred by Panorama Investments when buying or selling assets.	1. Listed security transaction fee There is a transaction fee payable to the Administrator if you buy or sell listed securities online using the online broker (including listed securities held as part of an adviser portfolio). The fee will be charged at the rate of 0.11% of the value of the transaction. However, if the transaction needs to be managed by the online broker (for example, due to insufficient liquidity in the market), a transaction fee of up to 0.20% of the value of the transaction will apply. A minimum charge of \$12.50 per transaction will apply in all cases. ⁴ This transaction fee will not apply if you have appointed your own external broker (however external broker fees may apply). Refer to '3. External broker fee' below if you have appointed an external broker. This transaction fee will not apply for listed security transactions using the tailored portfolio tools. See '2. Listed security transaction fee - tailored portfolios' below for more information. Refer to the 'Additional information on fees' section of the Additional Information and Terms Booklet for more information.	The fee is deducted from your transaction account at the time the transaction is settled.

Panorama Investments		
Type of fee or cost	Amount	How and when paid
	2. Listed security transaction fee - tailored portfolios There is a transaction fee payable to the Administrator for buying or selling listed securities using the tailored portfolio tools. The fee will be charged at a rate between 0.11% and 0.20% of the value of the transaction. A minimum charge will not apply.	This fee is deducted from the cash allocation of your tailored portfolio at the time the transaction is settled.
	3. External broker fee There is currently no external broker fee charged by the Administrator in relation to the purchase or sale of listed securities using an external broker. However, where you have appointed an external broker, the external broker may negotiate a fee directly with you. Speak to your adviser or your external broker for further information about investing in listed securities using your external broker.	Any brokerage fee you agree to pay to an external broker will be reflected in the acquisition or disposal cost and will be deducted from your transaction account at the time the transaction is settled.
Member activity related fees and costs (fees for services or when your money moves in and out of Panorama Investments)⁵		
Establishment fee The fee to open your investment	Nil	Not applicable
Contribution fee The fee on each amount contributed to your investment	Nil	Not applicable

Switching fee The fee for changing investment options	Nil	Not applicable

- 1 If you change from the Compact menu to the Full menu (or vice versa) during a calendar month, the new rate for the Administration fee - *account based* will be used to calculate the fee payable for the full calendar month in which the change occurs.
- 2 Where you have elected accounts to be grouped, total account balance is the combined balance of these accounts. For further details refer to 'Benefit from multiple accounts in a related group' in the 'Additional explanation of fees and costs' section of this Investor Guide.
- 3 Any Administration fee – asset based that has been charged for a previous month will not be adjusted in the case where a transaction reversal occurs for a transaction processed in a previous month.
- 4 If you or your adviser request your order remain valid unless it is cancelled and the order is transacted over more than one day, the minimum charge applies for each day a transaction occurs.
- 5 Additional service fees may apply as this table does not take into account all the fees and costs that may apply to your account for example adviser fees and portfolio management fees. See the 'Additional explanation of fees and costs' section in this Guide.

Fees and other costs

Fees and other costs for Panorama Investments

Example of annual fees and costs for a balanced investment option

Example 1: Platform only - Full menu

This table gives an example of how the ongoing annual fees and costs for Panorama Investments can affect your investment over a 1 year period. You should use this table to compare this product with other platform investment products.

EXAMPLE – Panorama Investments		Balance of \$50,000 ¹ with a contribution of \$5,000 ¹ during the year
Contribution fees	Nil	For every additional \$5,000 you put in, you will be charged \$0.
PLUS Management fees and costs	\$540 (Administration fee - <i>account based</i>) + 0.15% (Administration fee - <i>asset based</i>) + \$80 (Expense recovery) ²	And , for every \$50,000 you have in Panorama Investments, you will be charged or have deducted from your investment \$695.00 each year.
PLUS Performance fees	Nil	And , you will be charged or have deducted from your investment \$0 in performance fees each year
PLUS Transaction costs	Nil	And , you will be charged or have deducted from your investment \$0 in transaction costs
EQUALS Cost of Panorama Investments		If you had an investment of \$50,000 at the beginning of the year and you put in an additional \$5,000 during that year, you would be charged fees and costs of: \$695.00³ What it costs you will depend on the investment option you choose and the fees you negotiate.

1 The example above assumes that the \$50,000 is invested for the entire year, the value of the investment is consistent over the year and that the additional \$5,000 is invested at the end of the year. Therefore management costs are calculated using the \$50,000 balance only.

2 The exact amount deducted from your account will be confirmed in your annual statement. This example includes \$80 for expenses we recover for compliance with legislative requirements and paying compulsory government levies.

3 Additional fees may apply. Refer to 'Additional explanation of fees and costs' in this Investor Guide for more information.

Fees and other costs

Fees and other costs for Panorama Investments

The example on the previous page is illustrative only and assumes that you have chosen the Full menu. Fees and costs may vary for your actual investment. The above example only shows the fees and costs that relate to accessing investments through Panorama Investments and not the fees and costs of those investments, such as management costs set out in the relevant managed fund or managed portfolios PDS or transaction fees for listed securities or the cost of any insurance cover that you may have linked to your account. Additional fees and costs will be charged by the issuers of those products that you decide to invest in. Refer to the example in the following section that illustrates the combined effect of the fees and costs.

Fees and other costs

Fees and other costs for Panorama Investments

Example 2: Platform and accessible investment - Full menu

This table illustrates the combined effect of fees and costs of Panorama Investments and the fees and costs for an investment in the Schroder Real Return Fund through Panorama Investments over a 1 year period, based on the same assumptions as the 'Example 1: Platform only' set out in the previous section.

EXAMPLE – Schroder Real Return Fund		Balance of \$50,000 ¹ with a contribution of \$5,000 ¹ during the year
Cost of Panorama Investments		\$695 ²
PLUS Management fees and costs for an investment in Schroder Real Return Fund	0.87%	And , for every \$50,000 you have in the Schroder Real Return Fund you will be charged \$435 each year.
PLUS Performance fees for Schroder Real Return Fund	0.01%	And , you will be charged or have deducted from your investment \$5.00 in performance fees each year
PLUS Transaction costs for Schroder Real Return Fund	0.01%	And , you will be charged or have deducted from your investment \$5.00 in transaction costs
EQUALS Total cost of investing in the Schroder Real Return Fund through Panorama Investments		If you had an investment of \$50,000 at the beginning of the year and you put in an additional \$5,000 during that year, you would be charged fees and costs of: \$1,140.00³ What it costs you will depend on the investment option you choose and the fees you negotiate with your adviser.

- 1 This example assumes that the entire account balance of \$50,000 is invested in the Schroder Real Return Fund through Panorama Investments for the entire year, the value of the investment is constant over the year and that the additional \$5,000 is invested at the end of the year. Accordingly, fees and costs are calculated using the \$50,000 balance only.
- 2 Refer to 'Example 1: Platform only - Full menu' for information regarding this amount and applicable assumptions.
- 3 Additional fees may apply. The actual fees and costs incurred are dependent on your investment decisions and the fees you may negotiate with your financial adviser or if you appoint an MDA provider. Refer to the 'Additional explanation of fees and costs' in this Investor Guide for more information about fees and other costs that may apply.

The example on the previous page is illustrative only and assumes you have chosen the Full menu. Fees and costs may vary for your actual investment. For information regarding the fees and costs of the managed investments that you choose to invest in, refer to the relevant product disclosure statement or other disclosure document for the products you choose to access through Panorama Investments, available free of charge from your adviser, at bt.com.au/panorama or by contacting us.

Fees and other costs

Fees and other costs for Panorama Investments

Cost of product information

Cost of product for 1 year

The cost of product gives a summary calculation about how ongoing annual fees and costs can affect your investment over a 1-year period for all investment options. It is calculated in the manner shown in the Example of annual fees and costs.

The cost of product assumes a balance of \$50,000 at the beginning of the year with a contribution of \$5,000 during the year. (Additional fees such as an establishment fee or exit fee may apply: refer to the Fees and costs summary for the relevant option.)

You should use this figure to help compare this product with other products offered by managed investment schemes.

Option	Cost of product
Compact menu	\$335.00
Full menu	\$695.00

The cost of product amounts shown in the above table are impacted by whether you choose to invest in either the Compact menu or the Full menu, which offer different investment options and have different administration fees. The Compact menu includes an Administration fee - *account based* of \$180 pa, and the Full menu includes an Administration fee - *account based* of \$540 pa, as shown under 'Management fees and costs' in the 'Fees and costs summary' table in this section. The cost of product amount is comprised of the Administration fees and costs, and is calculated in the manner shown in the example in the 'Example of annual fees and costs - Full menu' in this section.

The cost of product information shown in this section relates only to accessing investments through Panorama Investments and not the fees and costs of the financial products that you may choose through Panorama Investments. Additional costs are charged by the issuers of those products that you decide to invest in. These costs are set out in the product disclosure statement or other disclosure document(s) for the relevant investments you choose through Panorama Investments.

Additional explanation of fees and costs

Fees payable for advice provided to you

The fees described in the following table are only payable if you agree the amount of the fee with your adviser (if you have appointed one) and authorise us to pay them from your transaction account on your behalf.

You must specify the amount of these fees agreed with your adviser as part of your original Panorama Investments account application or subsequently online. By doing this, you direct us, through your adviser, to pay these fees to your adviser and/or your adviser's licensee. There are no maximum amounts, however we have the right to reject the amount you specify.

Type of fee or cost	Amount	How and when paid
Adviser establishment fee A fee that you may authorise us to pay your adviser (or your adviser's licensee) for the provision of financial product advice and related services to you in relation to opening your Panorama Investments account.	You can negotiate the amount of this fee (as a dollar amount) with your adviser.	This fee is deducted from your transaction account at the time of your initial investment. If your initial investment is not received within 90 days of opening your Panorama Investments account, your consent for us to pay this fee will expire.
Advice fee A fee that you may authorise us to pay your adviser or your adviser's licensee in relation to your Panorama Investments account. You can elect to pay this fee on an ongoing basis, or for a fixed term period of up to 12 months.	You can negotiate the amount of this fee as a dollar and/or percentage amount with your adviser. If you have a margin loan linked to your Panorama Investments account, any advice fee can only be specified as a dollar amount. If you specify a percentage amount, that amount will be calculated based on your average daily balance for the month for the specified investments holdings. If you specify a dollar amount on an ongoing advice fee, you may elect to automatically adjust the amount annually in line with the Consumer Price Index.	The advice fee is deducted from your transaction account on a monthly basis (or on closure of your Panorama Investments account) in arrears, and continue to pay this fee to your adviser or your adviser's licensee (as applicable) until you direct us to cease paying it, or until the end of the term you have agreed with your adviser.
One-off advice fee A one-off fee that you may authorise us to pay your adviser (or your adviser's licensee) for the provision of advice (and related services) to you in relation to your Panorama Investments account.	You can negotiate the dollar amount of this fee with your adviser.	The one off advice fee is deducted from your transaction account at the time the request is processed by the Administrator.

Additional explanation of fees and costs

Benefit from multiple accounts in a related group

You can apply to us to have your account grouped with other Panorama Investments and/or Panorama Super accounts held by:

- you
- your immediate family (your spouse, partner, parents, children and siblings)
- companies in which you or your immediate family member have an interest and/or
- trusts and self managed superannuation funds where you or your immediate family member is the trustee,

which may allow you to reduce the administration fees and costs you pay. A maximum of eight Panorama Investments and/or Panorama Super accounts can be grouped together and all accounts must have the same financial adviser. In certain circumstances, Panorama Investments accounts without a financial adviser may also be grouped with other non-advised Panorama Investments accounts, provided the above eligibility criteria are met. Contact us for more information or to see if you are eligible.

An account cannot be in more than one related group at a time. Both Full menu and Compact menu accounts can be included in the same related group.

If an account is removed from a related group during a calendar month (for example if the account is closed or is no longer eligible to be grouped), the balance of that account will not be combined with other accounts in the related group for the purpose of determining the rates applicable to the remaining accounts in the relevant related group for that calendar month.

When accounts are grouped, their balances are combined to calculate the total group balance. The Administration fee - *asset based* is calculated on the total group balance and any reduction in the Administration fee - *asset based* is apportioned across the grouped accounts based on the balance held in each account. Therefore the fee reduction for each account will vary depending on the individual account balance and the balances of all grouped accounts. The Administration fee - *account based*, expense recovery and custodial holdings option fee (where applicable) are payable for each account.

Grouping of accounts to further reduce administration fees and costs is not available where an existing waiver or reduction of any administration fee is applied to your account (as described under 'Additional information' in this section).

Grouping of accounts does not apply automatically and therefore you must contact us or your adviser to have this arrangement applied to your account.

We have the ability to reject any request to establish a related group at our discretion.

Changes in fees and costs

We have the right to change fees or introduce new fees for the Panorama Investments service and to begin reimbursing ourselves for additional expenses from your Panorama Investments account. Fees and other costs may change for many reasons including changes to the cost of providing services to investors or facilitating the technology or platform. We will act consistently with our legal duties when making any decisions with respect to fees, costs and the provisions of services. We will give you 30 days notice in writing prior to any increases in fees or the introduction of new fees or expense reimbursement payable to us.

Additional explanation of fees and costs

Fees and costs of managed investments

The managed funds, managed portfolio options and exchange traded products (collectively referred to as 'managed investments') offered through Panorama Investments are managed and operated by fund managers that charge fees and other costs for the management and administration of the managed investments. The investment returns for each managed investment are net of fees and other costs. That is, the fees and other costs are deducted from the value of the managed investment before the unit price is calculated.

Some of the fund managers may be entitled to performance fees in addition to the management fees they receive. The method for calculating these performance fees varies between the managed investments and details are set out in the product disclosure statement or other disclosure document(s) for the relevant managed investment. If charged, typical performance fees for a managed investment are estimated to be between 15% and 30% of the investment's outperformance of a defined benchmark, but actual performance fees may fall outside this range.

In addition to the fees and other costs for the managed investments, some fund managers may charge contribution and/or withdrawal fees. These may be charged either:

- as an amount added (or subtracted) as part of the entry (or exit) price, when you acquire (or dispose of) an investment (depending on whether a contribution or withdrawal fee is being charged) or
- by deducting an amount from your account balance, when you acquire (or dispose of) your investment.

The amount of these fees varies between fund managers.

For further information regarding the fees and other costs for each managed investment, refer to the product disclosure statement or other disclosure document(s) for the relevant managed investment. The fees and other costs for each managed investment may vary from time to time.

Managed fund and ETF fee rebates

In some cases, your adviser's licensee may negotiate on your behalf with a fund manager to provide a partial rebate of the investment costs for the managed funds or ETFs you invest in to the Administrator.

In general, your entitlement to the rebate will be based on your holding of the managed fund or ETF at the payment date of the rebate. However, where you instruct us to close your account prior to the processing by the Administrator of a rebate, you will not be entitled to that rebate.

Indirect costs

Indirect costs are an estimate of the costs incurred in managing a managed investment's assets which directly or indirectly reduce the return on the managed investment. These costs are not directly charged or retained by the issuer (or manager) of the managed investment. They are reflected in the unit price of the relevant managed investment and are an additional cost to you. Indirect costs for a managed investment may comprise expense recoveries, performance fees, and other indirect costs. Refer to the disclosure document for the relevant managed investment for further information regarding indirect costs that may apply.

Additional explanation of fees and costs

Buy/sell spread

When buying and selling units in unlisted managed funds, the fund manager is generally entitled to charge the unit holder an amount representing a contribution to the cost of purchasing or selling the underlying assets. These costs include things like brokerage and government duty.

The charge is usually reflected in the difference between the entry price and exit price of a unit and is commonly referred to as the buy/sell spread. The buy/sell spread is charged by the fund manager and is applied before the unit price is provided to us. The buy/sell spread has two components:

- an amount added as part of the calculation of the entry price, payable when you acquire an investment, and
- an amount subtracted as part of the calculation of the exit price, payable when you dispose of your investment.

The buy/sell spread is an additional cost to you. Generally the buy/sell spread is retained by the relevant managed fund and applied to defray transaction costs; it is not a fee paid to the fund manager. Further information regarding the amount of buy/sell spread for each managed fund is provided in the product disclosure statement or other disclosure document(s) for the relevant managed fund. These may be obtained on request and free of charge from your adviser or by contacting the Panorama Support Team.

Other transaction costs

Where transaction costs arise from trading activity to execute the investment strategy for a managed investment, and are not the result of buying or selling units in the managed investment, these costs are not recouped by the relevant managed investment (eg by the buy/sell spread in the case of a managed fund). They are an additional cost to you at the time of the managed investment directly or indirectly undertaking the trading activity, and are included in the managed investment's unit price.

Further information regarding the amount of transaction costs for each managed investment available through Panorama Investments is provided in the product disclosure statement or other disclosure document(s) for the relevant managed investment, which may be obtained on request and free of charge from your adviser or by contacting us.

Incidental fees

If you acquire or sell listed securities through the Full menu and your trade cannot settle, any dishonour fee charged by your external broker, and any other costs associated with the failed trade that are passed onto the Administrator will be deducted from your transaction account. These fees are deducted at the same time the trade fails to settle, or at the time they are passed onto the Administrator.

Netting

When carrying out a managed fund transaction, the Administrator may offset your instructions to buy or sell assets against another investor's instructions to sell or buy those assets so that only net transactions are acted on. This process is known as 'netting'. The Administrator may retain any benefit that may be secured from netting. These include the fees and charges that would have applied had the transaction been processed without netting.

Insurance premiums

Insurance premiums are charged by the insurance provider to supply you with your insurance cover. The premium depends on a number of variables, including the premium option chosen, the type of insurance you have, any optional benefits, the amount of insurance you have for each benefit, your age, gender, smoking status, health, occupation and pursuits, the frequency at which you choose to pay your premium and any loading specified in your policy schedule. It also includes a policy fee and stamp duty if applicable. For further information refer to the product disclosure statement and policy document issued by the insurance provider.

Fees and other costs

Additional explanation of fees and costs

If you elect to take up the insurance offering, insurance premiums based on the coverage selected will be deducted at a frequency chosen by you with the insurance provider, from your transaction account.

Portfolio management fee

This fee is payable if you appoint an MDA provider and direct us to pay a portfolio management fee. You can negotiate the amount of this fee with your MDA provider. The fee can be specified in your instruction as a flat percentage or a tiered percentage and is calculated based on the average value of the assets in your tailored portfolio(s) for the month.

This fee is deducted from the cash allocation of your tailored portfolio(s) monthly in arrears or on closure of your Panorama Investments account and is deducted until you withdraw your consent, or you cease to hold the tailored portfolio(s). The portfolio management fee is not a fee for financial product advice.

Other fees and costs

All other fees and costs (such as government fees, bank fees, government duty, fees for failed transactions and penalty interest) incurred as a result of a transaction, deposit or withdrawal, will be passed on to you.

Any government duty payable in respect of asset transfers you make to Panorama Investments or managed portfolios will be deducted from your transaction account.

Third party payments

The Administrator and other members of the Westpac Group receive payments from third parties in connection with Panorama Investments. Further information relating to these payments is set out in the 'Additional information on fees' section of the Additional Information and Terms Booklet.

Tax

See the Additional Information and Terms Booklet for information about tax and your investment in Panorama Investments.

Additional information

If you have a financial adviser, they or their licensee may negotiate with us on your behalf for a reduction to any administration fees and costs outlined in this Investor Guide.

In other circumstances, we may offer to certain members or groups of members to waive or reduce fees and costs payable by them. We may also decide that any such waiver or reduction in fees and costs will cease to apply at any time. Our decision to offer or to cease to provide a waiver or reduction of fees and costs is at our complete discretion. Unless otherwise notified, where a waiver or reduction of any administration fees and costs is applied to your account, grouping of accounts to further reduce the administration fees and costs payable (as described in 'Benefit from multiple accounts in a related group' in this section) is not available to you.

When a waiver or reduction to any administration fees and costs commences or ceases to apply, the new rate will apply for the full calendar month in which the change occurs (or from such later date specified in any prior notice we are required to give to you).

How do fees and costs for Panorama Investments and accessible investments work?

- 1 Based on the management fees and costs, transaction costs and performance fees of the DNR Capital Australian Equities High Conviction Portfolio. These fees and costs are deducted from the cash allocation of your managed portfolio, not your transaction account.
- 2 Based on the management fees and costs, transaction costs and performance fees of the Schroder Real Return Fund. These fees and costs are included in the unit price and are not deducted from your transaction account.
- 3 Based on the assumption that listed securities are held as nominee holdings, with no custodial holdings option fee payable.
- 4 The Administration fee - *asset based*, is not payable on any amounts held in your transaction account
- 5 For further information see 'Expense recovery' in 'Fees and other costs for Panorama Investments' in this section.

Please note that these fees are representative only. The fees and costs will vary depending on whether you choose the Compact or Full menu, and the type and value of your investments held in your Panorama Investments account. This example does not include any fees for advice and related services that you may negotiate and direct us to pay on your behalf or any premiums for insurance cover you may choose to access through Panorama Investments and is based on the assumption that you have not selected the custodial or the sponsored holdings options for listed securities.

The total fees and costs payable by you will include the fees for the Panorama Investments service as well as any costs of the available investments and insurance options chosen by you. It is important to understand the fees and costs for Panorama Investments and the fees and costs of the available investments that you choose (which are in addition to the Panorama Investments fees and costs). The amount you pay for specific investments is shown in the relevant product disclosure statement or other disclosure document for each available investment.

How do fees and costs for Panorama Investments and accessible investments work?

Here is an example of the fees and costs you might incur over a 1 year period if you choose the Compact menu option:

Your Panorama Investments account is set up with the Compact menu and you transfer \$100,000 from your linked account into your Panorama Investments account. This is automatically invested in your transaction account. You then select the following investments:

Your Panorama Investments account - Compact menu

Your managed portfolio – \$30,000

Your managed fund – \$30,000

Your term deposit – \$30,000

Remainder in your transaction account – \$10,000

	Calculation	Amount
Management costs – accessible investments		
Managed portfolio - ongoing annual fees and costs ¹	$\$30,000 \times 0.87\%$	\$261
Managed fund - ongoing annual fees and costs ²	$\$30,000 \times 0.70\%$	\$210
Administration fees		
Administration fee - <i>account based</i>		\$180
Administration fee - <i>asset based</i> ³	$\$90,000 \times 0.15\%$	\$135
Expense recovery		\$80 ⁴
Total fees and costs		
Total fees and costs		\$866
= 0.87% of your Panorama Investments account

Communications

How you can access information on your BT Panorama Investments account, and how you can get help when you need it.

How will we keep you informed?

We make a range of information available to help you have the tools you need to monitor your investments and make informed decisions.

Online access

You can generally access information about your investments – including your Panorama Investments account valuation, performance, investment holdings and transaction history – 24 hours a day, 7 days a week by logging in to your account at bt.com.au/panorama.

Peace of mind and security

Your online and transaction security is important to us, so we've taken steps to help keep your Panorama Investments account secure. To help us you must:

- keep your online password secure and not disclose it to another person
- keep your mobile phone number up-to-date with us. You may not be able to place some transactions without it. This mobile phone number must be your mobile phone number and not the phone number of your adviser or their support staff.
- You may need to enter an SMS security code when accessing your account online as well as performing some online transactions, and access to your account and certain transactions will not proceed until this verification has occurred.

For further information, refer to 'Online and transaction security' in the 'Features' section of the Additional Information and Terms Booklet.

To help prevent unauthorised access to your Panorama Investments account we may deny access to your account from certain countries.

Mobile application

The BT Panorama mobile application is also available for download, so you can keep track of your investments on your mobile device. The primary authorised user of your Panorama Investments account also has the ability to place trades in relation to investments and track the progress of an order via the BT Panorama mobile application.

Please note that not all features available to you when you log into your account at bt.com.au/panorama are available on the mobile application.

Online consent

You may collaborate with your adviser to review and provide your consent online to changes on your Panorama Investments account. If your adviser chooses to use online consent, you will receive a SMS or an email advising you of a pending request. You can then see the details of the request and respond in the online Message Centre, available once you have logged into the secure website or mobile application. When requested by your adviser, we will act on any approval instruction you provide through this facility.

Where there are multiple account holders, your adviser can specify if only the primary contact is able to receive the request and provide approval, or if all account holders are required. This allows the flexibility to match any pre-existing agreements you have identifying who is able to approve specific actions on your Panorama Investments account.

Talk to your adviser to see whether online consent is available to you.

How will we keep you informed?

Electronic notifications

To keep you informed about your investments, we will send electronic notifications to you via email and we will also make these notifications available to you online. Once you have logged into the secure website, you can see these notifications in the online Message and Consent Centre.

Electronic notifications may include:

- changes to your Panorama Investments account (including when new billers and payees are added)
- transaction status updates
- term deposit maturities
- new statements.

Statements and reports

We will provide you with information regarding your annual tax position for your Panorama Investments account after the end of the financial year. Due to the complexity of tax calculations and other unique circumstances that impact some investors, we will process these statements as quickly as we can after the necessary information is received from third parties. It may take some time once this information is received for tax statements to be made available. You will receive an email when these are available online. Your statements will continue to be made available to you for a period of time (generally 5 years or more) after which they will be permanently removed from our records.

Various reports can also be accessed online by logging into your account at bt.com.au/panorama.

Communicating with us

Give us instructions

You can give us certain instructions online through the bt.com.au/panorama website or via your adviser. A range of forms are available online to help you facilitate essential changes and instructions on your Panorama Investments account. You can nominate or change your adviser by writing to us but you can only change to another adviser authorised to use Panorama Investments. They are your agent and we will rely on their instructions as if they were given by you. Note that if you change your adviser, any payment permissions held by your previous adviser on your account will be inherited by your new adviser.

In exceptional circumstances (such as where we are not reasonably satisfied that you have received all required documents), we are not required to act on your instructions. When you apply, you also give us standing instructions to act on your behalf and deal with your investments – in certain circumstances – without obtaining further instructions from you or your adviser. These circumstances are set out in the Terms and Conditions in the Additional Information and Terms Booklet.

Change your details

We use your mobile phone number and your email address to help keep your Panorama Investments account secure. It is important you call us to update your details if these change, to maintain security and so you can continue to access and perform transactions on your account.

For further information

For further information about how you agree to receive reports and communications, refer to section 18 of the Terms and Conditions in the Additional Information and Terms Booklet.

Feedback and Complaints

Delivering on our service promise

We're constantly striving to provide the best possible service, and we'll do our best to resolve any concern you have quickly and fairly.

Our commitment to you

If you're ever unhappy about something we've done – or perhaps not done – please give us the opportunity to put things right.

Our aim is to resolve your complaint within 5 working days, and where possible we will resolve your complaint on the spot. If we need some additional time to get back to you, we will let you know. Should we be unable to resolve your concern at your first point of contact, we will then refer the complaint to one of our dedicated customer managers.

Our customer managers are here to find a solution for you and will ensure that you're regularly updated about the progress we are making to resolve your complaint.

If you have a concern or complaint about an investment acquired through Panorama Investments, please contact us using the details below. We can help direct your complaint to, or otherwise try to facilitate a resolution with, the relevant product issuer.

If you have a concern or complaint about your adviser or the financial product advice you have received, please approach the Australian Financial Services Licensee for whom your adviser was acting.

You can contact us

Over the phone

Please call us from anywhere in Australia on 1300 881 716
If you are overseas, please call +612 9155 4030

Online

Using the secure feedback form
at secure.bt.com.au/contact-us/contact-form.asp

For further information go to our website and search 'Feedback and Complaints'.

If you are still unhappy

If you are not satisfied with our response or handling of your complaint, you can contact the external dispute resolution scheme, the Australian Financial Complaints Authority (AFCA).

Australian Financial Complaints Authority

The Australian Financial Complaints Authority (AFCA) provides a free and independent service to resolve complaints by consumers and small businesses about financial firms (e.g. banks), where that complaint falls within AFCA's terms of reference.

The contact details for AFCA are set out below.

Australian Financial Complaints Authority

- Online: afca.org.au
- Email: info@afca.org.au
- Phone: 1800 931 678 (free call)
- Post: Australian Financial Complaints Authority, GPO Box 3, Melbourne VIC 3001

Important information about your account

What happens if you no longer have a financial adviser?

If you cease to have an authorised financial adviser, this may impact your ability to continue to use your Panorama Investments account. It is important you understand the consequences as set out below.

- You will need to manage your Panorama Investments account directly and place certain transactions online via bt.com.au/panorama or via other methods as made available to you by the Administrator.
- Your fees may change.
- The terms and conditions of your Panorama Investments account, the investment options and product features available to you may change.
- You will receive communications from us directly and may not receive certain communications previously provided by your adviser, unless required by law to be provided by us.
- The name and branding of your account may change (if your distributor changes).
- Your Panorama Investments account may, in some circumstances, be closed.

To request a policy document, free of charge, that provides further information on the consequences for investors who cease to have an authorised financial adviser or a relationship with a distributor, contact us on 1300 881 716. We may amend our policy from time to time.

Your contract with us

You enter into a contract with us by approving the account application and by us accepting your Panorama Investments account application. The terms of that contract are set out in:

- The Nominee Deed for Panorama Investments (this document is available from us free of charge).
- The account application.
- The Terms and Conditions set out in the Additional Information and Terms Booklet. These Terms and Conditions address various matters including our and your respective responsibilities, when we may sell or cancel your investments without seeking further instructions from you and when we can vary your contract with us.

Additional information

What are the next steps?

Here's what you need to do to complete your application

1 Read all of the information provided

There is a range of material that you will receive to ensure you have all the information you need to make an informed decision before activating your Panorama Investments account. It is important that you read these documents which include:

- Investor Guide (this document)
- Additional Information and Terms Booklet
- BT Cash Management Account and BT Cash Management Account Saver and related Payment Services Terms and Conditions.
- Panorama Financial Services Guide

All of these documents are available free of charge online

If you still have questions after reading these documents or would like information about the investment options available, ask your adviser or contact us.

2 Finalise your application

Once you and any other account applicants have registered and approved your application (and we have accepted your application), you can access your Panorama Investments account.

3 Select your investments

You should read the disclosure documents for your selected investments before investing. For further information, refer to the 'Additional information on investments' section of the Additional Information and Terms Booklet.

4 Monitor your investments

You can see your investments at any time online. Annual consolidated reports and annual tax information are also made available online. Your adviser can help you monitor and manage your Panorama Investments account and the investments within it.

5 Review your overall strategy in light of changing needs or circumstances

As your life circumstances change or events arise, you should review your overall investment strategy to make sure it stays appropriate to your financial objectives, situation and needs.

What are the next steps?

Additional information

You should read the Additional Information and Terms Booklet for more detailed information about Panorama Investments including:

- Features
- Additional information on investments
- Features available to SMSF investors
- Additional information on fees
- Additional information on tax
- Other important information
- Terms and Conditions
- CHESS Sponsorship Agreement, where you choose to hold listed securities under the sponsored holding option.

The Additional Information and Terms Booklet is available from your adviser, from bt.com.au/panorama or by contacting us.

For more detailed information about insurance cover that you may be able to access through Panorama Investments, refer to the product disclosure statement or other disclosure document of the relevant insurance product, available from your adviser or the relevant insurance provider.

For more detailed information about margin lending that you may be able to access through Panorama Investments, refer to the product disclosure statement or other disclosure document of the relevant lender, available from your adviser, at bt.com.au/panorama or by contacting us.
